CENTERS INTERNATIONAL

2025

ANNUAL REPORT

Greetings in the name of our Lord Jesus Christ!

We pray the Lord's blessing over you as we begin this new year. Thank you for your continued prayers, encouragement, and faithful support. In 2025, Jubilee celebrated its 16th anniversary, serving over 400 students, and we stand in awe of God's faithfulness and provision.

Our mission remains to train and equip students in the ways of the Lord, serving as a testimony in the community of La Era and throughout Tegucigalpa. Now, in 2026, our theme verse comes from the Great Commission (Matthew 28:19-20), focusing on making disciples through intentional

spiritual formation, praying for other nations, and sharing the gospel with others.

This report highlights Jubilee's accomplishments in 2025 and outlines our plans for 2026. We hope you will see the impact your prayers, encouragement, and generosity continue to have in our community.

With gratitude in Christ,

David & Emily Romero,
Founders and Co-Directors

2025 Ministry Highlights

Graduating Our Second Class of High School Seniors

In 2025, Jubilee graduated 34 high school seniors, achieving a 100% graduation rate. Nearly every graduate will go on to the university, including students from some of our most vulnerable families. This milestone reflects not only the hard work and perseverance of our students but also God's faithfulness and the unwavering support of partners like you.

Launching a New Initiative: The Daniel Generation

We launched The Daniel Generation in 2025, a pilot program designed to reach more youth in our community. The program equips youth in our community who are not necessarily part of the High School with valuable skills in Graphic Design, Computer Programming, and English as a Second Language (ESL). Already, this initiative is positively impacting over 60 additional students, opening doors for youth who might not otherwise have access to these opportunities.

Completed Construction Projects

Several important construction projects were completed in 2025, enhancing the campus experience and safety:

- A new playground with two five-story towers, slides, bridges, and climbing structures, offering hours of physical activity and fun.
- A permanent front security wall and gate, ensuring campus safety.
- Additional storage areas and restroom facilities to support school growth.

We are thankful to supporters like you who made these projects possible!

Jesus at the Center: Our Most Impactful Concert Yet

In August, our annual musical Jesus at the Center involved 95% of students, our highest participation ever. Through drama, dance, and music, students shared the story of Jesus' life, death, and resurrection with beauty and conviction. Over 1,000 attendees joined the main performances. And, for the first time, two additional shows were held: one for a local public school and one for the wider community, extending our ministry's reach.

Looking Ahead: Plans for 2026

In 2026, Jubilee will continue to grow and expand its impact:

Daniel Generation (Saturday Vocational Training) will include more students from the community and advanced classes.

Sports programs will reach more Jubilee students as well as add students from local public schools, focusing on Christian discipleship, skill-building, and personal growth.

Expanded **tutoring in Language Arts and Math** for students of all grades, supported by additional teaching staff.

More **outreach opportunities for our students** through visiting public schools, hospitals, and community programs to share God's love and put Matthew 28:19 into practice.

We trust the Lord to continue guiding, providing, and blessing Jubilee's ministry as we move forward.

Thank you for walking alongside us in this mission!

Multipliers of His Grace: Serving Beyond the Campus

In 2025, students were actively involved in outreach opportunities, putting their faith into action:

- Establishing a small library in a poor rural public school and celebrating with the students.
- High school students served older adults through literacy tutoring and weekend training courses.
- Expanding our Music, Theater, and Sports After-School Programs to include youth from the broader community who are not regular Jubilee students.

These experiences help students practice discipleship, service, and leadership beyond the classroom.
